CREATIVITY

Dear Parents and Carers,

Another week and more rain! We are hopeful that we will turn the corner soon and be able to enjoy spring but not quite there yet. We have though enjoyed our spring term I:Rock concert with the children doing themselves proud (we have taster sessions happening now so please talk to your child about whether they would like to take part in this- letters have gone home today) and more trips have taken place with Year 1 and Year 2 out and about. Also, children will be bringing home their spring reports today. Please read this carefully as it will support discussions with your child's class teacher during parent meetings next Tuesday and Thursday. Lastly, a reminder that we are still seeing erratic driving and careless parking causing an increased risk to all children at both the start and end of the day. There is no excuse for putting children at risk through the way cars are driven and where they are parked so please, before we have a serious incident, think carefully about your actions. Lastly, we are expecting more regular visiting from street enforcement officers. Thank you to the majority of parents and carers who are careful and considerate of everyone in our community. Thank you

Anthony Richards,
Headteacher
